high pressure water drain & pipe cleaning

▶▶ IAN DICKIE HIGH VELOCITY P.T.O. SEWER JET

The Ian Dickie TRACTOR DRIVEN, P.T.O. High Velocity Sewer Jet has proven itself to be extremely effective in assisting farmers to conduct regular and proper maintenance of land drainage systems as well as offering the ability to clear sewer and other pipes of sand, roots, rags and other debris, all from one convenient power source. As with all our Jet Cleaning Machines, Ian Dickie offer an extensive range of highly effective, high quality ENZ Nozzles to be used in conjunction with the P.T.O. Sewer Jet, ensuring that no other equipment is required for ongoing pipe and drain maintenance.

Features:

- Unit is P.T.O. driven from a tractor
- Heavy duty triplex plunger pump with stainless steel fluid end
- Supplied with 120m high pressure sewer hose
- 3 point mounting
- Hydraulically operated hose reel
- Range of hardened steel and ceramic nozzles

Accessories:

We carry an extensive range of high quality retrojet, rotating and pulsating cutter nozzles to effectively clear roots, calcium build-up and concrete blockages.
