tamping rammers

▶▶ RTX TAMPING RAMMERS

The RTX range of 4 stroke petrol and single cylinder diesel trench rammers offer excellent balance for easy control and high level compaction, as well as extra power for use on cohesive materials and gradients. The RTX range boasts a host of improvements, such as a dual fuel filtration system, low hand-arm vibration operator levels, lower grab handle as well as a front roller for easy transportation.

Features:

- Heavy duty, narrow body.
- Xtra power for use on cohesive materials & gradients.
- Xtra strong, durable design.
- Improved impact force.
- Improved stability during operation.
- Carburettor primer bulb for easy start in any conditions.
- Low hand-arm vibration.
- Triple-filtration air cleaner system.
- Dual-fuel filtration system.
- Low-maintenance leg with oil level sight glass.
- Lower grab handle and front roller for easy transportation.
- Swing out engine protection for easy access to maintenance points.
- Wooden & plastic foot options - various widths available.
- Service kits available.
- Hourmeter as standard.
