### ▶▶ IAN DICKIE / SILLA 4x4 / 4x2 DUMPERS

Ian Dickie's range of Silla Dumpers are well known throughout the world for being reliable and easy to maintain. There are many versions and we are able to offer configurations that will fulfill most concrete placing duties. These heavy duty robust machines are well suited for off – road and construction site duty. They are offered in Two Wheel and Four Wheel Drive with articulated centre pivot chassis and heavy duty braking. Models are available with the option of forward tipping, high discharge and turntable skips. Wide or narrow mouth skips are also available.

**DM 1000 2RM 4x2**

*The chassis has a heavy duty centre pivot operating in both the horizontal and vertical plane.*
