Measuring Success by Customer Satisfaction

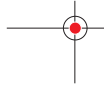

medium duty side tilt mixer

▶▶ **MINIMIX 150 MEDIUM DUTY SIDE TILT MIXER**

Built for rugged durability the Minimix 150 is a compact, highly portable machine that easily mixes a full barrow load of mortar or concrete (127kg) and when used in conjunction with its stand, conveniently allows for barrow height mixing and tipping. The Minimix 150's proven reliability and portability make this machine ideal for both professional or rental users.

Features:

- Compact and portable for easy transportation.
- Mixes a full barrow load of concrete or mortar.
- Complete with barrow height swivel and stand.
- Full thermal overload protection.
- Proven robust and durable design.
- Extra thick drum with quick mix paddles.
- Heavy-duty sealed cast gearbox for longer life.
- Electric or Petrol options available.
