# high pressure sewer cleaning hoses

## IAN DICKIE HIGH PRESSURE SEWER CLEANING HOSES

The *Ecology 4000 LT* hose range has been specifically developed for lateral sewer cleaning applications requiring very high pressure performance and high flexibility in smaller residential, commercial, and industrial sewer lines. These hoses are lightweight, extremely flexible and highly abrasion-resistant thanks to the tough polyurethane cover that provides protection against mechanical wear, aggressive environments, and microbiological attack - ensuring a longer hose life in wet, harsh working conditions.

### Features:

- Ideal for high pressure lateral sewer cleaning applications up to 280 Bar
- Lightweight and extremely flexible
- Temperature range from -40°C to 60°C
- Excellent cut and crush resistance
- Kink resistant
- Optimum wear resistance and longevity.

### Specifications:

| Part no. | Inches | ID (mm) | OD (mm) | WP (bar) | BP (bar) | BR (mm) | Weight (gr/m) |
|----------|--------|---------|---------|----------|----------|---------|---------------|
| 1194     | 3/8    | 9.7     | 17.5    | 280      | 840      | 45      | 193           |
